#### 1. Introduction

#### 1.1. Purpose of This Document

This document provides information to Open Banking Third Party Providers (TPPs) in response to their frequently asked questions on In-Scope Accounts. This document will be updated as appropriate due to regulatory or digital channel changes, and with additional brand information added in over time.

#### 1.2. Brand Scope

This document currently relates to the following brands;

- The Royal Bank of Scotland RBS
- NatWest NW
- Ulster Bank (Northern Ireland) UBN
- Ulster Bank (Republic of Ireland) UBR
- NatWest International NWI

#### 2. Scope of Accounts

In line with PSD2, the following account types are in scope for Open Banking;

- Payment enabled Current Accounts, both Personal and Business
- Payment enabled Savings Accounts, both Personal and Business
- Payment enabled Current Account Mortgages
- Credit Cards and Charge Cards, both Personal and Business

#### Notes:

- Balance Transfers are not currently available via Online / Mobile / Open Banking.
- Joint Accounts are made available to TPPs when the account type is in scope and where the account owners are able to manage the account independently (i.e. not '2 to sign').
- To align with the functionality that is available to our customers on our digital channels Open Banking account information sharing is only available to customers aged 13 years old and over, and payment functionality is only available to customers aged 16 years old and over.
- Different payment types will be available to the different account types.
- Different account types are available within the different versions of the APIs. This is also detailed in the table.
